ROLL CALL:

Sam Grafton: Present

Ralph (Bub) Grimm: Present

Brian Applegarth: Here

Along with the Fiscal Officer

The Fiscal Officer explained the estimated Budget for 2024 to be \$1,489,063.60. This will be down from last year. The EMS Fund was taken completely out and the Fire Funds down by 15% from last year. This could be more as Rob Herrington had estimated that the Seven Ranges area could be 18%.

If the Levy would pass of course this could raise the budget.

Bub made a motion to accept the estimated 2024 Budget, Brian second. All in favor.

There being no further Business regarding the Budget, Brian moved to adjourn, Bub second. All in favor.
