Dear Customer,

Good news! XXX Township officials have renegotiated its rate with Archer Energy for its natural gas aggregation program to provide guaranteed savings versus the SCO through March 2026! The agreement with Archer Energy will provide a guaranteed discount off Columbia Gas' Standard Choice Offer adder of at least 2%. The program will provide guaranteed savings versus Columbia's SCO rate through March 2026. The program will run from your April 2025 meter read through March 2026. Columbia Gas of Ohio is still your utility and will continue to bill and service your account. You will continue to be eligible for the same programs you are eligible for now through Columbia Gas of Ohio and they will continue to deliver gas safely and reliably to your home or business.

Automatic Enrollment Process

As a current participant in XXX Township aggregation, you are automatically enrolled unless you decide to opt-out via one of the methods below. There is no fee to participate in the program and you can cancel at any time without penalty. To learn more about the program, please see the enclosed General Terms and Conditions.

If you choose to Opt-Out

You don't need to do anything to get this exclusive rate. However, if you decide not to participate in the program, we must receive your opt-out response through one of the methods below by March XX, 2025:
